Santa's Magical Recovery Kit

Santa heard Elf is feeling blue
His magic is fading fast
St. Nick's powers are strong and true
And Elf's sadness will not last

With a wiggle of His nose
Santa will make it better
Your elf will be aglow
With more magic than ever

Sprinkle this dust on Elf
For the problem it will fix
He'll be back on the Shelf
Thanks to one of Kris Kringle's tricks
